Dear High Bridge School Board:

Attached is a letter that will be posted to my Facebook page, tomorrow afternoon. I will also make sure to tag my 10 High Bridge friends when I post it. That way, their friends will get to see what I've written about my former friend, Mark Desire. On Friday morning, I also mailed over 200+ households that letter of mine. I made sure to cover *all* areas of High Bridge, too.

Since Mr. Imhoff and Ms. Conroy (High Bridge Middle School secretary) saw fit to comment on Mark Desire's Mayoral Facebook page, I see no reason why I shouldn't send you my letter.

Imagine if you (all) kept your school budgets flat over an eight-year span of time what both schools would look like right now.

Note where I make reference to a homeowner's assessment being lowered by \$ 29,400 in 2018. That's Mr. Imhoff's property. No wonder he is supporting Mark Desire.

Sincerely,

Valerie Jordan
