

FUN IN THE SUMMER WITH MUSIC LESSONS

Any student presently attending the High Bridge Public Schools and who will be entering grades 4-9 next fall will have an opportunity to receive Music Lessons on their band instruments, guitar or keyboards. This program is a golden opportunity, especially for incoming 4th graders, to gain a “head-start” on their instruments. Individualized instruction, particularly for beginners, will provide the optimum chance for success! All participants will receive quality private instruction to enhance their levels of musicianship.

Students will be scheduled for one lesson per week for 4 weeks. Lessons will be one half hour in length. Please make a note of scheduling needs on the registration form below.

During the Summer Music Program’s *thirty year history*, our lesson program has proved to increase motivation, self-esteem, and most of all, increase productivity over the summer months. Don’t miss out... sign up today!
