

Proposed Board of Education Goals for 2019-2020

Goal 1 - Finalize a three year Strategic plan for the district with involvement/contribution from all stakeholders.

Goal 2 - Create and implement an in-house training plan/mentoring program for new, current and future BOE members in all areas.

Goal 3 - The Board will work toward meeting the requirements to become a certified board through New Jersey School Board Association.

Goal 4 - Continue to research Shared services opportunities.
