Please see the attached letter of resignation from Michelle Corley. Please add her email to official correspondence for the January 4th meeting. Sadly this needs to be effective immediately. I will email the full Board about this shortly.

Thank you.

Cindy,

I will need to resign from the High Bridge Board of Education effective immediately.

I am facing some medical issues that will require all of my time and effort.

Let me know if you have any questions.

Thanks
Michelle Corley
