# Amplify mCLASS TRC (Text Reading Comprehension)

- Compare student progress with predictive, research-based benchmark goals.
- Translate assessment data into instructional support.
- Track progress and target instruction to individual student needs.

# Leveled Literacy Intervention

- Leveled Literacy Intervention, or LLI, is a small group, supplementary intervention designed for children who find reading difficult
- Leveled books are a key component in helping children become competent readers.
- Intervention Groups meet 3-5 times a week for an **additional** 30 minutes of reading instruction.
- Students in grades K-2 bring home books for daily practice.
